

Special Research News – MBIE Endeavour Fund – 2025 Investment Round Summary of Changes

MBIE has introduced changes for Endeavour Fund 2025 round Smart Ideas funding mechanism.

Research & Enterprise are working up options for internal selection of Smart Idea applications to go forward for submission in the 2025 Endeavour Round and meet the new institutional cap. These options will be considered by Research Committee and the process advised in a further Research News notification.

In the meantime please familiarise yourself with the [Gazette Notice](#), [Investment Plan 2025-2027](#) and changes for the 2025 round outlined in the [MBIE webinar](#) and attend a Q&A session available at the links below.
